MIFF × CAMPARI

Major Partner of the Melbourne International Film Festival

As a longstanding supporter of contemporary art and film, Campari is proud to be an official partner of the Melbourne International Film Festival 2023.

To celebrate this partnership, Campari is proud to launch Posters to Production - an initiative to turn unmade films into movie posters to realise the film's creation. Explore the posters as you walk around the lounge and scan the QR codes to see how you can help support these emerging film makers.
